

## How to log into the webstream (or live stream)

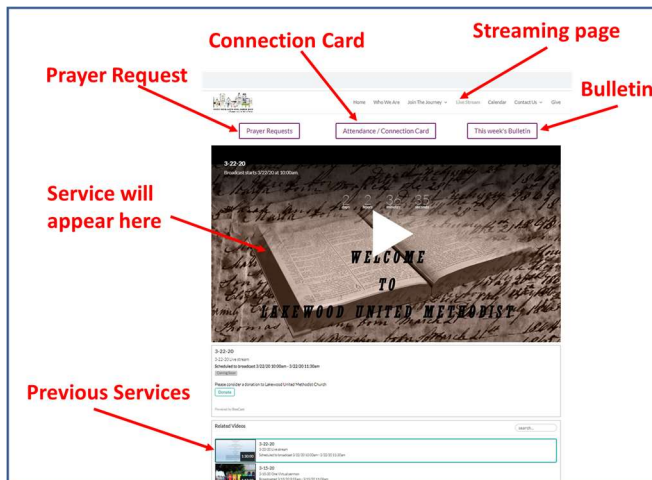

There are three ways to watch the service: on the church webpage live stream, on Facebook or on your TV using Ruko. We are happy you will be joining us on Sundays.

### To watch from church webpage live stream

1. Go to the Lakewood UMC web page <https://lkwdumc.org/>
2. Select Live Stream (the fourth button across the top) a picture of the sanctuary will appear (or a current picture of the next broadcast will appear at the time of the service press the play button and you are ready to go. Or you can just go to <https://lkwdumc.org/live-stream/> and end up on the livestream page

You can open the bulletin, fill out a prayer request, and a connection card. You can even re-watch previous services

Make sure the volume button is up on the device that you are using

### To watch from Facebook:

Go to the Lakewood UMC Facebook page and watch it from there. This format will also allow you to make comments and prayer request.

If you "liked" the Facebook page then on Sunday morning you should receive a pop-up alert saying that we just went live. If you do then just click the alert and you will be directed to the stream. (if you do not get the alert then you can just click on the Facebook page and look for the video

To watch from TV on a Roku:

1. Open Roku
2. From the Home menu scroll and select BOXCAST
3. Select Find an Organization and either enter Lakewood or scroll and look for and select our church building. Enjoy current or past services
